

Winning Colours® and water – kind to your skin and safe on fabrics!

Simple to Use

- Step 1:** Apply a small amount of Winning Colours® Stain Remover directly to stain.
- Step 2:** Rub the stain with a cloth, scouring sponge or fingertips. Apply water liberally. (Water is important in order to lift the stain and carry it and the Winning Colours® solution away from the surface being cleaned). Repeat if necessary.
- Step 3:** Wipe away excess moisture with towel or cloth. Repeat if necessary.

Tips

- A scouring sponge, towel or spray bottle are the only tools you need
- Winning Colours® works best with water
- Use full strength for stains or diluted with water for multi-cleaning
- Try a 10 to 1 mix of water and Winning Colours® in a spray bottle!
